TRYOUTS: ALL players MUST register for Select Basketball Tryouts (New and Returning) prior to participating. You DO NOT need to register for a specific tryout session. Children who are interested in being considered for a Select team must attend the appropriate tryouts for their grade. We recommend all players attend as many scheduled tryouts as possible for the best chance at making a spot on a team.

Players need to check-in at each tryout they attend, bring a full water bottle, wear sneakers, and wear a white t-shirt with their last name in sharpie on the back.
